TESTIMONIAL

We are into Jewellery business since last 38 years, we deal into all types of Gold, Diamond Jewellery & Silver Utensils & Articles. We recently shifted to a new workplace & Air Conditioner is one of the necessity for our shop. We straight away called **SRINIVAS RAO** of **SK COOLING**

SOLUTIONS & inquired about particular model. He gave us the **BEST** quote possible for it & also saw to it that the machine was installed well before our showroom opening.

His team was also very efficient & did installation very quickly & with proper care. We really appreciate him & his team for doing fantastic job. We will definitely recommend his services to everyone because his Ac's really keep you

THANDA THANDA COOL COOL !!!
