TO WHOM IT MAY CONCERN

Prarambhan Creative Works LLP is a strategic brand management and design firm, promoted by ex-alumni of Jamnalal Bajaj Institute of Management Studies and ex-brand managers from Cipla, Coca-Cola, Arvind Brands et al. with offices in Mumbai, Navi Mumbai, and Chennai.

When we moved to our new office in Navi Mumbai, we were looking out for a trusted partner to help us with our Air Conditioning needs. Who better than Mr. G S Rao from S K COOLING SOLUTIONS to help us. We got in touch with them, signed an AMC for all ACs in our office and were impressed time and again with the quality of service provided by them.

Their professional work ethics and an orientation towards customer delight have been truly remarkable. We would definitely recommend their services to everyone.

SINCERELY YOURS,
